NEBOSH IGC Webinar

If you're keen for an excellent foundation in the essentials of health and safety, the NEBOSH International General Certificate (IGC) in Occupational Health and Safety is your course in safety training.

Managers, supervisors and anyone responsible for meeting both broad and specific safety requirements within their organisations, can now learn the optimal means of controlling hazards, aligned to global best practice.

NEBOSH is recognised worldwide as training designed to meet the health, safety, environmental and risk management needs of all places of work. Be the first to continue your unique skills development within SHEQ via our newly created NEBOSH IGC Webinar.

Register by 18 September to be part of the elite webinar programme launching 5 October 2020.
